You're

Man, Yuki!
Hurry and
wake up,
already!

2-3

Wake up,
will you...

YUKI!

I played
PlayStation
last night
and ended
up sleeping
here.

What's
wrong
with
that?

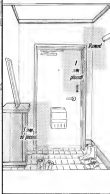

And
how
could
you
sleep
on the
bench?

Man, is
that the
proper
way to
talk to
your
master?

If you're
gonna sleep,
go sleep in
your own
room or
you're gonna
catch a cold!

Chocolate cake!

What's that?

Yesterday I accidentally made too much of that and I couldn't figure out what to do with the rest.

Good thing it's your birthday today.

You like chocolate, right?

So... I'm giving it to you as a birthday present.

You guys have been together ever since you were small, right? How I envy you! ♡♡

Ah... your neighbor...

No way...

It seems that you guys are getting along quite well this early in the morning ♡

TWITCH

*Five
cents!*

*How
could you
do this,
you pig
heart!*

*Wasn't you
the one
insisting on
giving it to
me in the first
place?*

*I dream...
but still!*

She's down here

*And besides,
you said this
was just an
extra cake,
right? Then it
shouldn't
matter.*

*People who waste
food are

*But
that's just

Hey, where are you going?

Fast forward, you idiot!

You're the stupid one!

What's with her...

How could she cry over a cat?

Shout!

What did
you say?

I said
you are

So cute! ♡

What?

Eyes wide open

Why am I looking up at her?

My class of vision seems to be really strange...

What? I already did!

What?

Why is she...?

*I bet
you are
the one
behind that!*

Hehe he?

What?

it seems
that you
finally
noticed

How'd
she have
that
with her?

What?

A small
bear-shaped

Well,
it's actually
pretty simple.
I'm telling
you only
a couple words
to say.

Ever wonder what secrets lurk within Enjopy?

You know ... the really top-secret,

encoded-in-Swedish-by-Saga-and-the-moose-cavalry,

stowed-somewhere-in-pqqr's-secret-stash,
coveted-by-the-prodigal-son-Johan,
zipped-up-many-times-by-Meg..

...kind of information.

Well, the biggest of them all is:

What is Terra's gender?

Choices are...

(A)

A spunky little boy who likes to play video games

(B)

A happy-go-lucky girl who likes to 'hang' and parties on people

(C)

An ambitious but sometimes confused guy looking for love

(D)

A girl who's a real nut with a compassionate heart.

(E)

A cool gangster who goes really, REALLY hard when he mess with.

By popular vote, the answer is...

Terra is
actually an angel!
Our savior..!

**Happy Birthday,

You're truly an angel sent from heaven. We
hope you never find your way back home.

Thank you for all your letters. My reading pace may be really slow, but I do thoroughly read them all! Many thanks for all your support. I'm sorry if I stopped replying to all your letters for about a year. I'm really sorry. But, I am once again in the mood to reply. I want all of you to follow the guidelines below with regards to how you should send the letter in order to make sure that you're able to receive my reply.

1. Make sure to place an eighty-yen stamp in the reply envelope.
2. Write your complete name and address on the envelope.

Especially take note of the note in number one because I can't send you a reply if there's an eighty-yen stamp included over the original letter. In addition to these two guidelines, you should also put in a blank piece of paper inside the reply envelope. Oh, by the way, to those who send their letters numerous times, I'd just like to say that sending them just once is OK. Though, you can send as many as you like.

Do wait for my reply, OK? With affection! ♪
